Presidents Report Angela Cutler

- Working on touching base with all committee chairs individually to discuss any concerns, immediate needs and firming up details for the remainder of the school year, please call, text or email with any questions or if you need any assistance with your committee at anytime.
- Attended TotalEd Meeting in October, will update H&S in person with key takeaway items
- Not enough responses for Christmas social (only 3 said they would attend) so we will table it and possibly do something when it's less hectic in January or February depending on responses and level of interest
